

## 1907 Bar Menu

Welcome to 1907 restaurant, bar & grill.

Our 1907 bar menu is designed to suit every need. We offer everything from light lunches to indulgent afternoon teas, simple coffees to after work drinks.

The Brooklands site is home to one of Britain's most famous racing heritage circuits – in fact it was the world's first purpose built real race track, which opened in 1907 by Hugh Locke King and was the scene of the earliest motor racing during the 1920s and 1930s.

We take great pride and inspiration from the history of our location – did you see the original Brooklands racetrack in riven quartz and honed granite in our lobby?

If you need help choosing, our fully trained and friendly team are on hand to assist.

Did you know you can use our free Wi-Fi  
without the need for a password?

Search 'Brooklands Guest', enter a valid email address into the landing page
